"Coy And The Gospel Strings", a very special gospel singing group from Eden, N.C. will be in concert on August 2 at 11:00 at the Bethel Bible Church, Linden Street, Appomattox.

These musicians represent our Lord and Saviour Jesus Christ and are becoming well-known in the gospel singing groups. God has put together guitars, bass guitar, mandolin and banjo tuned to touch your heart.

Concert numbers will include unusual arrangements of hymns, gospel songs, audience sing-alongs, and testimonies of the saving grace of our Lord. The service will conclude with an altar call for the lost and rededication of the believers.

The program is open to the public and a nursery will be provided. Our church is a non-denominational church with a great love for God and people. You will receive a warm welcome from our members. Come and receive a blessing from God. God bless you.

Pastor Speaks

[Continued from Page 4]

to worship today. But worship is also important because it sets a pattern for you to follow as you mature. You will worship tomorrow as you worship today.

How do you feel when you worship? Do you dread it, fearful that God will discover some mistake you have made? Or do you look forward to it? Do you anticipate incountering someone who loves you and wants the best for you? God is a God who cares for you. Your feeling about worship will be determined not by who God is but by How you see him. Will you rejoice at the thought of worshiping God?

Pray that you will discover God as a friend, that you will become more sensitive to his voice from the teachings you get from worship. Pray for insight to develop the right pattern in your life to communicate with God. Prayer can help you in your life.

Every Requirement For Comfortable Living

PLAN FOR LUXURY

FEATURE HOMES

© By W. D. FARMER

The family living portion of this plan includes elbow room in all rooms. The living room is a large one with excellent placement of doors and windows to offer balance in furniture placement and drapes. The false fireplace is centered, offering a very pleasing effect. The large dining room is also designed with these two important features in mind. Plus, the formal dining room will provide for numerous guests.

The separate foyer is spacious and door entry includes side-lites for that important peek at callers.

The kitchen, being U-shape in design, offers planned food preparation areas, convenience with regard to access, surplus cabinets and counter top, pantry and broom closet and built-ins, of course.

The breakfast room will accommodate several people and is accessible to bar cabinet through which prepared food may be passed.

Utility space is provided at the rear of this area. This room may double as a mud room and a full bath with shower is adjacent.

A three car carport is in the rear and a covered walk from the family room or breakfast room has been provided to this area.

Contrary to most, the family room is extraordinarily large indeed. It includes surplus book shelves, a woodburning fireplace, access to terrace and a permanent stair to attic storage is from this room. Stairs to the basement are from the central hall.

There are four luxuriously sized bed rooms, each including surplus closet space. Notice that each bedroom has direct access to a full bath, the master bath including powder room with double vanity. One extra in the bedroom wing, is the large central linen storage closet.

Symmetry is perfect in this colonial exterior. Windows, roof breaks, columns and central entry are all in accord with true colonial design. The rake on the front gable is appropriately decorated with dentils and small circular fixed glass window. Dentils are also carried along the cornice below frieze. Columns are round with base and ionic cap.

All W.D. Farmer plans include special construction details for energy efficiency, and are guaranteed to meet F.H.A. and V.A. regulations.

The plan is number 3009. It includes 3,099 square feet of living area. For further information on this plan, write W.D. Farmer Residence Designer, Inc., P.O. Box 49463, Atlanta, Ga. 30359.

Wingfield heads up benefit

It was announced this week by Dr. Denver J. Davis, Southwest Virginia Multiple Sclerosis Society Chairman, that Mrs. C. W. Wingfield will head up the local Hope Chest appeal to raise funds for the fight against MS (Multiple Sclerosis).

The National Multiple Sclerosis Society, founded in 1946, is the only major national voluntary health agency in the country that is devoted to seeking the cause, prevention and cure of multiple sclerosis. We are not affiliated with the United Way.

Multiple Sclerosis is a neurological disease affecting the brain and spinal cord. It is not contagious nor is it a mental disease. After it is first diagnosed, usually between the ages of 15 and 50, MS can mean long years of increasing disability for many young adults.

Technically, the disease attacks the myelin sheathing of the central nervous system, destroying it in patches. The myelin sheath acts much like the insulation around telephone wires, and when it is destroyed, the flow of nerve impulses to and from the brain is interrupted or distorted. The resultant symptoms from this destruction of myelin can be: paralysis, double vision, bladder or bowel problems, loss of balance, loss of coordination, and speech or hearing difficulties, among others. There are more than 500,000 people in America with MS.

Mrs. Wingfield will be looking for volunteers to canvas the neighborhoods. If you would like to help. . . she can be reached by calling 248-8291.

4-H Activities

Sewing classes continue

By JANE GUILL

"A stitch in time saves nine," could have easily been the motto of last week's 4-H sewing class students.

Thirty-six students, four teen leaders, and five adult leaders were all involved in the second week of 4-H clothing classes. The classes, beginning at 9 a.m. and ending at 12 noon, were held at Appomattox Elementary School. Mrs. Debbie Powell served as coordinator for the sewing program. Mrs. Powell commented that she had really enjoyed the week, "it was really a good experience, and the girls learned much more than I had anticipated."

During the week the girls learned a great deal about sewing. Jennifer Coleman, who has been sewing for four years, gave a demonstration on how to cut out a pattern. The next step was to learn the different parts and functions of the sewing machine. Ten-year-old Berri Anderson said, "The best thing about the classes was sewing on the sewing machines." The girls learned basic sewing skills, about different fabrics, and modeling tips. Laura Walton, state 4-H Fashion Revue winner, gave two demonstrations to the class, Motivation for Models, and how to coordinate a wardrobe.

Miss Wanda Royal, adult leader, said "It was really fun working with the young girls, especially seeing how eager they were to learn!" Sheree Goodman, a second year sewer said, "I feel it is important to learn how to sew, because when you grow up you won't have to buy all your clothes.

In the largest sewing class so far, the girls ranged from ages 7 to 13. Wendy Archer said, "The best thing about sewing classes was meeting new people."

Members of the 4-H sewing classes were: Sharon Almond, Berri Anderson, April Archer, Katrina Archer, Wendy Archer, Teresa Burger, Beth Carter, Beverly Carter, Laura Carter, Gina Cestaro, Jennifer Coleman, Sheree Goodman, Valerie Guill, Kelly Hamlett, Terri Hamlett, Jennifer Jamerson, Jean Johnson, Sharla Kvasnicka, Dana Lee, Susan LeGrande, Robin Mann, Ann Nolan, Katie Powell, Terresa Powell, Jeanne Pugh, Kim Romanac, Cheryl Simpson, Connie Steppe, Wendy Steppe, Leigh Ann Taylor, Angie Thompson, Christy Tucker, Angela Whitmer, Cheryl Wooten, Tisha Wooten, and Joy Wyle.

Laurie Cowan, Jane Guill, Cheryl Walton, and Laura Walton assisted as teen leaders.

Adult leaders were Mrs. Carolyn Coleman, Mrs. Debbie Powell, Miss Wanda Royal, and Mrs. Mary Wooten.

The next 4-H sewing classes will be held August 3-7 at Evergreen Community Center.
